Our Vision

Students will leave high school prepared as life-long learners to be contributing adults eager to live and work in their community.

Our Mission

The Alignment Collaborative for Education (ACE) mission is to align community resources and collaborate with organizations in support of public school strategies to raise student achievement; create responsible, productive, and contributing members of our society; and advance the economic and social well-being of communities served by School District U-46 in Illinois.

Our Benefit

- 1. Economic Development – A community of choice for business and family*
- 2. Greater ROI – Community resources leveraged for broader impact*
- 3. Higher Quality Services – A community that maximizes its expertise to address economic and social needs*
- 4. Enhanced Capacity – A community utilizing collective impact for systemic, long-term change*

Alignment Priorities:

- Educational Pathways
- Trauma Informed Care
- Early Education
