OUR MISSION

The mission of the Alignment Collaborative for Education (ACE) is to align community resources and collaborate with organizations in support of public school strategies to raise student achievement; create responsible, productive, and contributing members of our society; and advance the economic and social well-being of communities served by School District U-46.

OUR VISION.....

Students will leave high school prepared as life-long learners to be contributing adults eager to live and work in their community.

OUR BENEFIT.....

1. Economic Development: A community of choice for business and family
2. Greater ROI: Community resources leveraged for broader impact
3. Higher Quality Services: A community that maximizes its expertise to address economic and social needs
4. Enhanced Capacity: A community utilizing collective impact for systemic, long-term change
